Notification of Food Additives pursuant to Par. 5 of the Order of Food Additives

Allivictus

Dear Sirs or Madams,

I acknowledge receipt of your Notification of the product of Allivictus dated Dec. 18, 2007 pursuant to Par. 5 of the said Order. This Notification has been duly registered under File Number 101-3131-10/00307 (2008).

Within this notification procedure, I will check the documents formally only as for their completeness. The detailed check as for their contents will not be carried out. The authorities responsible for the checking of the contents of the documents are the highest foodstuff-control authorities of the given federal state, to which the Notification has been passed over.

Please note that observance of the food-related legal regulations remains your own responsibility and that this Notification of having received the documentation is not a certificate of the product marketability.

Should you have any queries concerning the product classification, product checking, product marketability or marking, please feel free to contact any expert in the field of food-related chemistry nominated by the Chamber of Industry and Commerce. You can contact this Chamber or visit <http://svv.ihk.de/svvmmain.asp> for their addresses through which you can obtain their names and addresses.

If there is a change in the product (e.g. name, composition, etc.) a notification of the change should be submitted. Please inform me also if the product is withdrawn from the market (with the respective date).

With best regards,

Authorized person: Dr. Evelyn Breitweg-Lehmann
Head of the Department
